System
 (Telephones) Ltd

IMPORTANT

1. Phones, Trades and Call panel wiring not shown, see the CSP Manual wiring (PD-094). Connection "Z" on every phone must be as wired here NOT the CSP manual.
2. Outer and Inner doors open at the same time when unlocked from a phone, but inner unlocks for longer (time set on T04).
3. Trades facility, exit button or Fobs only open the associated 1 door.

Inner door

Outer door
